POLICE SCHOOL'S LIAISON OFFICER

We are delighted to welcome a new school liaison officer **PC Deon Ramdhanie** to our community. All secondary schools have designated school liaison officers.

We have close links with the police who have, over the last few months, delivered important messages to students on topics such as Knife Crime, County Lines, Safety over the Summer, anti-social behaviour, Online Safety and Mental Health awareness.

PC Ramdhanie is keen to have an overt presence during the academy day and sometimes at the end of the day to build positive relationships with students and their families, to answer any questions we, you or the students may have. If you see him around, please do make him welcome.

The platform helps to support students with their careers learning and will also be used for the delivery of careers lessons in PSHE. All students will receive a log in over the coming weeks, so please encourage your young person to use the platform to support their career education whilst at the Academy.

The OSA Careers Newsletter has information to help support your young person with their career education. There are links to careers websites, Post 16 open days and career talks/virtual work experience. There is also information on career activities taking place at OSA.
