

GCSE Combined Science

Our Ref: HDU/HMC

Student:

Date: 9th May 2024

I would like to take this opportunity to make you aware of some science knowledge books which all GCSE Combined Science students will be given the opportunity to purchase.

All students will be given 1 knowledge 'retriever' book along with a homework schedule. We have a limited supply of these books, if it is lost or misplaced, it will be necessary to purchase for a replacement on-line. Students will be expected to carry the book with them for all lessons - this will be checked by their teachers.

In addition to this, there will also be a knowledge 'organiser' book available for students to purchase through the school's online shop. We recommend this book to help the students review/revise what they have learnt and to assist with their homework. The book will cost £5.00.

To purchase the book, please log onto <https://www.ipayimpact.co.uk> with your Username and Password. From the Home Page, click on Accounts and select your child's name followed by 'parent shop' and select the appropriate book for purchase.

If you have any questions, please don't hesitate to contact me at the Academy.

Yours sincerely

Mr H Duvvasi
Head of the Science Faculty
