### **PARENT CONSULTATION ON RSE CURRICULUM**

Dear Parents / Carers,

As part of your child's education at Ormiston Sudbury Academy, we promote personal wellbeing and development through our Personal, Social, Health and Economic (PSHE) curriculum. This gives students the knowledge, understanding and skills to lead healthy, safe and productive lives.

As part of our PSHE curriculum we will deliver the statutory areas of study. Statutory Guidance focuses on healthy relationships and keeping children safe in the modern world. It also covers a range of topics relating to physical and mental health, wellbeing and safeguarding. Learning about the emotional, social and physical aspects of growing up gives children the information and positive values to have safe and fulfilling relationships and help them take responsibility for their own wellbeing.

As part of implementing the RSE curriculum we would like to consult with parents and carers to ensure there is a general consensus on our approaches to the policy and curriculum content. Ormiston Sudbury Academy will be starting this consultation process on **Monday 25th November 2024**; the consultation will close on **Friday 13th December**. You can find the policy and RSE lesson content on the PSHE section of our website or simply click on the link below and scroll to the bottom of the page.
