Dear «The_Contacts_Salutation»

This term has flown by – when Year 11 return they will start their final full term at OSA! We would like to wish you a restful break, a Happy Christmas and a Happy New Year! 2025 will be the year that Year 11s sit their exams and move on to exciting Post-16 opportunities.

Mock Exam Results

The Year 11s have now received their mock exam results – these are also available to you on Go4Schools – along with their end of term report. In January we will run an evening event for students and parents to provide advice and guidance on how to improve. More details will follow.

Group moves

From January, there will be a number of group moves in Core subjects. These are to ensure that students get the help that they require in the run up to the examinations.

Revision is not just for exams...

Mock exams may be over (for now...) but Yr11 students should still be revising. At this stage of Year 11 they should be revising for approximately 1.5-2 hours per night. To support them the LRC has numerous past papers, and all students have access to GCSEPod.

Period 6 – changes

From January, to enable students to attend both English and Maths sessions, Maths will now be on a Wednesday.

Year 11 Charity Week

Yr11 raised £380 for this year's charity is 4YP [About us - 4YP - For Children & Young People Charity](#)
Congratulations to all involved.

Post 16 applications

A majority of students have now made their applications to college, or sixth form and interviews are taking place at most of the Post 16 providers. Please remind your young person to check their emails to see if they have been invited to an interview or if any additional information is required on their application.

There are a number of open days taking place in the New Year if your young person has not already been on a visit and there are also some Apprenticeship Evenings taking place for those interested in this route.
