30 January 2026

Dear Parents/Carers,

With the current timings of the school breaks, we are finding that students are still queueing to purchase food right up until the end of breaktime and many are leaving for period 3 taking unfinished food with them.

Conversely, at lunchtime, the students are all served by about 1:50pm each day, 15 minutes before the warning bell for end of lunch is sounded.

We are therefore making small changes to the timing from Monday. **Break will be 5 minutes longer and lunchtime will be 5 minutes shorter.**

The timings will be as follows:

Up to and including the start time of break - no change

Break starts at 11:10.

There will be a movement bell at 11:30 (5 minutes later than now) and lesson 3 will start at 11:35

Period 3 will run from 11:35 to 12:35

5 minutes movement time

Period 4 is then 12:40 - 1:40.

Lunch will finish at the same time and period 5 timings are unchanged.

I am sure students will appreciate this change as break will feel far less rushed.

Yours sincerely,

Mrs. S. Morris

Principal
