1. Rationale

1.1. This policy will enable our academies to:

- Safeguard and protect the welfare of students and employees
- Prevent unnecessary disruption to lessons and other educational activities
- Protect Academy grounds and facilities from vandalism and misuse
- Engage with the community and outside educational influences in a structured and productive manner

2. Legal Framework

- This policy has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:
- Martyn's Law (Terrorism (Protection of Premises) Act 2025
- Counter Terrorism and Security Act 2015
- Health and Safety at Work Act 1974

- Childcare Act 2006
- Education Act 1996
- Home Office (2023) 'Prevent duty guidance: England and Wales'
- DfE (2022) 'Political impartiality in Academics'
- UK GDPR

2.1. This policy operates in conjunction with the following Academy policies:

- Safeguarding and Child Protection
- Data Protection and Freedom Of Information
- Data Protection Privacy Notices
- Communication guidelines

3. Authorisation

3.1. Unless it is an emergency, anyone wishing to visit the Academy or arrange a meeting must do so prior to arrival.

3.2. Visitors are required to sign in on arrival through the Academy's electronic sign in system which records the reason for the visit, the name of the visitor(s), and (where applicable) the name of the organisation they are from.

3.3. Parent/carers arriving at the Academy will follow the visiting procedures outlined in the visiting procedures section of this policy.

- 3.4. Individuals who would like to visit the Academy, but are not in contact with a member of staff regarding their visit, should arrange their visit through the Academy office.

4. Safeguarding

- 4.1. The Academy is committed to promoting the safety of all students and may require visitors to undertake a DBS check depending on the purpose of their visit.
- 4.2. Prior to arranging a visit, the Principal/DSL will ensure careful consideration is given to the suitability of the person or organisation. This will include an assessment of:
- The educational value of the visit
 - The age appropriateness of what is going to be delivered
 - Whether relevant checks will be required
 - Whether the visit could bring the Academy into disrepute
 - How compatible the visit is with the fundamental British values of democracy, the rule of law, individual liberty, and mutual respect and tolerance of those with different faiths and beliefs

The Academy reserves the right to vet presentations/talks in advance.

- 4.3. For visitors to the Academy in a professional capacity, the Academy will check their ID upon arrival and, through the annual letter of assurance provided by their employers, will receive assurance that the visitor has had the appropriate DBS check. The Academy will not ask to see the DBS certificate in these circumstances.
- 4.4. The exceptions to this are
- supply/agency staff where the Principal/DSL is required to examine the original DBS certificate
 - where a person has a disclosure on their certificate the Principal is required to see the original certificate, speak with the person and complete a risk assessment
- 4.5. The Principal will be responsible for determining what checks need to be carried out for visitors and ensuring that they are undertaken, where required.
- 4.6. The Principal and DSL will decide on the level of supervision required for any visitors.
- 4.7. Under no circumstance will a visitor who has not undergone a DBS check be left unsupervised with students.
- 4.8. The Academy will adhere to the Prevent Duty Policy at all times when managing the risk of potential harm to students from visitors.
- 4.9. The Principal will ensure the Academy keeps an up to date list of approved visitors

5. The Prevent Duty

5.1. The “Prevent” statutory guidance requires academies to have clear protocols for ensuring that any visiting speakers are suitable and appropriately supervised. These are outlined in sections above.

5.2. In addition:

- Due diligence will be carried out on the person and organisation to establish whether they have demonstrated extreme views/actions
- Visiting speakers will be accompanied at all times and not left unsupervised with students at any point.

6. Visiting Procedures
